Education

B.Sc. in Physics and Mathematics , Karnataka University, Dharwad Final Semester CGPA: 8.3	2021–2024
Pre-University Education (12th) , YTSS PU College, Yellapur Distinction (535/600)	2019–2021
SSLC (10th) , Government High School, Bisgod 98.24% (614/625)	2018–2019

Academic Achievements

- Secured AIR 725 in IIT JAM 2025 (Physics).

Research Interests

I have been fascinated by the idea of how the complex phenomena we see around us can be described by a theory. I also find the idea of emergence deeply intriguing. I have enjoyed my statistical mechanics and quantum mechanics courses, and I would love to work on many-body physics in condensed matter theory, where we aim to describe complicated systems using the laws of quantum mechanics.

Seminars and Presentations

- Presented a seminar on Linear Algebra.

Skills

- Basic knowledge of Python, willing to improve.
- Strong mathematical skills and analytical thinking.

Extracurricular Activities

- Ball Badminton player.
- Avid reader of novels by S. L. Bhyrappa.
